No-company. (Self-employed.)

Apr 2022 - Present (3 months +)

- A member of Privacy-Inf Research Project Team and do some programming and training work.

A Blockchain System (C++)

No-company. (Self-employed.)

Apr 2022 - Apr 2022 (1 month)

- An individal project to design a sample Blockchain System for data storage.
- GitHub: https://github.com/David200308/COMP1011_Project_Blockchain

A Weather Web App (Vue.JS)

No-company. (Self-employed.)

Feb 2022 - Feb 2022 (1 month)

- A project that uses Vue.JS web framework and open weather API to make.
- Link: https://weather.skyproton.org

Education

University of Cambridge
One-week Online Summer Programme, Mathematics for Engineering
2022 - 2022

Fudan University
Summer Exchange, Computer Science
2022 - 2022

The Hong Kong Polytechnic University
Bachelor of Science - BS, Computer Science
Sep 2021 - Jun 2025

Licenses & Certifications

Coursera Course Certification - Data Collection and Processing with Python (University of Michigan) - Coursera
coursera.org/verify/T8CDE524Z9UZ

Coursera Course Certification - Python Basics (University of Michigan) - Coursera
coursera.org/verify/7R5VFL4PW7YU

Skills

Python (Programming Language) • Machine Learning • Blockchain • C++ • Vue.js • Java • JavaScript • English & Chinese • Next.js

Honors & Awards

Online One Week Summer Exchange Nominated (University of Cambridge) - The Hong Kong Polytechnic University
Jun 2022
Nominated for online one week summer exchange from The Hong Kong Polytechnic University to Mathematics for Engineering Summer Programme with Cambridge University (Girton College) 2022

Honorable Mentions Award in PolyHack2022 Hackathon - Google Developer Student Club (GDSC) - PolyU
Jun 2022
The Honorable Mentions Award in PolyHack2022 Hackathon.

Summer Exchange Nominated (Fudan University) - The Hong Kong Polytechnic University
Feb 2022

Nominated for summer exchange from Hong Kong Polytechnic University to Shanghai Fudan University.

Student Representative for COMP Class of 2025 - The Hong Kong Polytechnic University
Nov 2021
Dr. Dennis Liu has nominated me as a representative to join the PolyU Next Departmental Undergraduate Programme Committee (DUPC) Meeting
